

## **Minor in Korean (for 4-year curriculum)**

### **Programme Code:**

72419-YKL

### **Mode:**

UGC-funded

### **No. of Credits Required:**

18

### **Programme Aims:**

The Korean Minor programme aims to equip students with (1) Korean language skills in four areas of speaking, listening, reading and writing, (2) a good understanding of traditional and contemporary Korean culture and society, and (3) broad socio-cultural awareness, so that they will become effective communicators in Korean and problem-solvers in various academic and professional contexts with a global outlook.

### **Programme Outcomes:**

Students who have successfully completed the program will be able to:

- (1) possess Korean language competences in listening, speaking, reading and writing;
- (2) communicate effectively in Korean with understanding of communication norms for various academic and professional contexts;
- (3) understand traditional and contemporary Korean culture and society;
- (4) appreciate other cultures and societies with intercultural awareness;
- (5) display cooperative ability, self-motivation, leadership and critical thinking.

### **Admission Information:**

There is no specific entry requirement for this programme. Students interested in a Minor must submit their applications to and obtain approval from the Minor-offering Department, starting from their second year of study. Only students with a GPA of 2.5 or above can be considered for Minor study enrolment.
