Mr. Nobuaki TOMITA (富田伸明): Kimono stylist

Born in 1963 in Kyoto, Tomita works as a Kimono stylist, Kimono historical investigator and Kimono clothing supervisor. He has appeared on stage in Japan and was Kimono administrator for actors Yoko Yamamoto and Mitsuko Mori. He has worked for several kimono magazines and has dressed many Japanese celebrities. Tomita has worked on over 2000 TV dramas, movies and commercials together with famous Japanese actresses.

Tomito believes that nowadays culture needs to support the economy rather than vice versa. To help the next generation to understand Japanese culture, he has lectured at many universities and schools all over the world, spreading his knowledge about Japanese Kimonos.
