CBS Presents:
DIY – Traditional Chinese Sweet and Folk Arts

1. Chinese Candy Sculpting
This is an ancient folk art which rarely seen nowadays. Don’t miss this great opportunity to learn how to make your own candy sculpture and enjoy this quintessential Chinese sweet afterwards. You will be fascinated by the performer’s talent using a thin straw and some hot malt syrup to create different colorful 3D characters in just a few minutes!

2. Chinese Rainbow Calligraphy
The Chinese calligraphy is done with multicolored inks. Performer will show and teach you how to portray a Chinese name using skillful and colorful brush strokes which contains auspicious symbols in the Chinese culture such as dragon, butterfly, fish, flowers, birds and so on. Let’s join us to create your one of a kind rainbow calligraphy for home decoration!

3. Grasshopper Weaving
The folk art is one of the traditional Chinese handicrafts loved by all ages. Come to see how the performer makes a realistic-looking grasshopper with his magic hands simply using a couple of coconut or pandan leaves. Join us and make your own cute little grasshopper and keep it for fun!
